# COACHES

**Head Coach Byron Coleman** begins his sixth year as head coach of the Lady Roadrunners basketball program – his 12th season overall, having served as an assistant with the program – having recorded three straight 20-plus-win seasons. His 2009-2010 team eclipsed the program mark for wins in a season with 26, including Coleman’s 100th career win. He has coached the Region XIV Freshman of the Year in consecutive seasons, and has had several players selected for All-Region and All-Conference honors. Last season’s appearance in the conference tournament made it five straight trips for Coleman and the Lady Roadrunners; he enters 2010-2011 with a career record of 105-50.

Before assuming head coaching duties, Coleman spent seven years as the assistant coach for the Lady Roadrunners. As both an assistant and a head coach, Coleman has recruited numerous All-Region and All-Conference

players, as well as having had two Academic All-Americans named during the same season in 2005-06. The 2004-05 team received Academic All-American honors after posting the requisite 3.0 team GPA.

Coleman graduated from Angelina College in 2000 with an associate’s degree in general studies; from there, he earned a degree in Kinesiology from Stephen F. Austin University and a master’s degree in Human Sports and Performance from New Mexico Highlands University. He was a three-sport athlete at Diboll High School, competing in football, basketball and track.

He is married to Tamula Coleman.

**Assistant Coach Ashley Walker** enters her sixth season as the Lady Roadrunners' assistant. A former Lady Roadrunner herself, Walker played for AC from 1999-2002, and was part of the team that won a school record 24 games against just seven losses in 2001-2002. She was on-hand to see her own players eclipse that mark with 26 wins in 2009-2010.

As the Lady 'Runner assistant, Walker's duties include recruiting, post player development, on-court coaching, travel arrangements and academic scheduling.

Walker was a two-time letter winner at Bryan High School who made the Second Team All-District her senior year. She went on to play basketball for, and earn a bachelor's degree in Exercise and Sports Studies from, Texas Wesleyan University, where she started in 16 games her junior year. Walker made Honorable Mention All-Conference as the Lady Rams' third leading scorer, averaging 12.1 points and 7.3 rebounds per game. In her senior season, Walker averaged 14.7 points and 8.4 rebounds –numbers good enough to lead the Lady Rams to a 22-9 record and land Walker on the First Team All-Conference list. She also made the RRAC All-Conference Player of the Week list four times.

Walker's sister Amanda Walker played basketball at Houston-Tillotson University. She is the daughter of Thomas and Dorothy Walker of Bryan.

Following the 2006-2007 season, **Athletic Director Guy Davis** retired after 31 years as Angelina College men's basketball coach. Over those three decades, Davis managed to amass nearly 500 wins, finishing with 16 winning seasons, two Region XIV Coach of the Year awards and a trip to the National Junior College Athletic Association tournament held in Hutchinson, KS in 1997-'98.

Davis and his wife, Dorothy, live in Lufkin.

**Sports Information Director Gary Stallard**, who also serves as AC's Marketing & Development Coordinator, begins his fifth season with Angelina College. Following a career as a U.S. Marine, Stallard completed his bachelor's degree at Stephen F. Austin University, where he majored in English and Journalism. For ten years, he has worked as a sports writer/columnist/ photographer for the Lufkin Daily News; he continues to contribute free-lance articles on occasion. Stallard has won several awards for writing, including the Golden Hoops Award for basketball writing in 2003, Regional Sports Writer of the Year in 2004, and the Texas Press Association's first-place award for column writing in 2007. He has also done basketball, football and baseball radio and web stream play-by-play and color commentary for an ESPN affiliate, calling basketball, baseball and football. Currently Stallard serves as play-by-play broadcaster for AC basketball, baseball and softball games.

Prior to arriving at Angelina College, Stallard taught English at Lufkin High School for four years. He and his wife Susan live in Lufkin.
