Important Information (Write your initials beside each item to signify understanding):

____ 1. A student requesting accommodations must first apply for assistance from the appropriate agencies for his/her disability (Texas Commission for the Blind; Texas Rehabilitation Commission, etc.). Often, those agencies can provide services and/or equipment to accommodate the student.

____ 2. Written documentation of the specific disability (with recommended accommodations), as well as a semester class schedule, must accompany this application. Additional information about this documentation is available at the Angelina College website or in the packet accompanying this application.

____ 3. Reasonable accommodations will be provided for a qualifying student with a disability as long as the student makes satisfactory progress toward a degree or certificate listed in the Angelina College General Catalog. No services will be provided for a student who has reached the 85-semester-hour limit.

____ 4. The student must apply for services at the beginning of each semester of attendance by supplying a class schedule to the disability services coordinator. In general, unless changes have occurred in the student's accommodations requirements, new documentation of the student's disability is not necessary after the first submission.

I have read or have had read to me the items in this application and understand the contents. The information I have supplied on this application is true and accurate.
