1. Go to: <http://www.angelina.edu/health-careers/>
2. Scroll down to **Surgical Technology**
  - Click on **Online Information Session**
    - A PowerPoint presentation will download; click on the download at the bottom of your screen to open it.
    - At the top of the page click on **Slide Show**, click on **From Beginning**. (audio is available, click on the speaker icon to listen).
    - Once the slide show has begun, there will be a highlighted link: **this quiz** click on the link, a new window will open and the quiz will be available to print. (you can also right click and choose "open hyperlink", it will open in a new window and you should be able to print)
    - Complete the quiz with the PowerPoint presentation.
3. Turn in your completed quiz to the Health Careers I building, office #100 to be able to obtain your application packet for the Surgical Technology Program. Do not turn the quiz in before the date above, applications will not be available.

#### April 1, 2019 – Application Deadline (**absolutely NO** applications will be accepted past this deadline)

**May 13, 2019** - You will have received an e-mail (via student e-mail) stating if you have qualified to take SRGT 1405, Introduction to Surgical Technology. There are only 20 spots available for this course. This is not acceptance into the program. (Please do NOT email or call me regarding your status. I will be in touch with you by this date.) I have to wait until all grades have been posted for courses you are currently taking.

**Summer I 2019** – All qualified applicants are required to complete SRGT 1405, Introduction to Surgical Technology with a C (73-79) or better. Acceptance into the program is based upon several factors, including GPA, grades from previous courses completed, past health care experience, and final grade for SRGT 1405. Acceptance into the program will be announced the day after finals.

**Summer II 2019** - Program begins.
