Program effectiveness data is reported annually to the JRCERT. This data reflects the programs performance regarding completion rate, credentialing examination pass rate, and job placement rate. Questions concerning the program effectiveness data should be addressed by the AC Radiography Program Coordinator.

AC Radiography Program 2014 JRCERT Annual Report Data:

Completion Rate – January 01-December 31, 2014

The program's completion rate for 2014 is 89%.

25 out of 28 students starting the program completed it within the expected timeframe.

Credentialing Examination Pass Rate - 2010 through 2014

The program's credentialing examination pass rate average over a five year span is 95%.

Seventy-one (71) out of seventy-five (75) program graduates taking the ARRT certification examination within six months of graduation passed on the first attempt.

Job Placement Rate - 2010 through 2014

(The number of students who gain employment in the field within twelve months of graduation versus the number of graduates who are actively seeking employment over a five year span)

The program's job placement rate average for 2010-2014 is 91%.

Eighty-two (82) of the seventy-five (75) graduates seeking employment obtained a job in the field within 12 months of graduation.
