

Angelina College Library Mission Statement

The mission of the A.C. Library is to provide appropriate resources and services to support the mission and goals of Angelina College, with emphasis on the curricular goals of instructional divisions. The library supports the changing information needs of the entire campus community by providing both local and remote access to its resources and by acquiring resources in a variety of formats. The library strives to provide both a physical and online environment conducive to student learning.

To accomplish its mission, the Angelina College Library endeavors to support the college community in these ways:

1. Provide an organized and readily accessible collection of resources that support the academic, vocational and community service programs of the college
2. Provide bibliographic instruction and reference assistance in identifying, locating and using information resources
3. Provide services which assist faculty with their instructional goals
4. Provide a qualified staff to assist patrons in the effective use of the library collections, resources and services
5. Evaluate library resources and services to insure effectiveness
6. Promote the exchange of resources with other libraries and educational institutions
7. Provide both a physical and online environment conducive to learning
