All applicants for AC Art Scholarship awards must present examples of their artwork in the forms listed below:

FIVE (5) DRAWINGS in various media, including Charcoal

It is preferred that the ORIGINAL ARTWORKS be submitted in a large portfolio envelope or other suitable protective cover. In the event that only Drawings and Paintings are available, a total of fifteen (15) artworks of Drawing and Painting media would suffice.

ALL WORKS MUST BE ORIGINAL. NO COPY WORK WILL BE ACCEPTED.

SLIDES or CD ROM for MACINTOSH platform will also be accepted in lieu of actual artworks.

While not required, a student's Artist's Statement written to accompany the portfolio application is encouraged. This is simply a one-page essay in which the artist discusses his/her motivations for making art, and what that art and process means to her/him.
