

Angelina College Exposure Control Plan

POLICY

Angelina College is committed to providing a safe learning and working environment. In pursuit of this goal, the following exposure control plan (ECP) is provided to eliminate or minimize occupational exposures.

The ECP is a key document to assist our organization in implementing and ensuring compliance with standards, thereby protecting the students, faculty, and staff.

This ECP includes:

- Determination to minimize exposure
- Demonstrating and utilizing safe practices to prevent or minimize exposure
- Implementation of various methods of exposure control, including:
 - Plant Operations
 - Engineering and practice controls
 - Environmental Services
 - Standard Precautions (Personal Protective Equipment)
- Maintenance of immunizations and vaccines
- Orientation and communication of hazards
- Procedures for evaluating circumstances surrounding exposure incidents and correction of processes to prevent recurrent exposures

PROCESS

- Should an incident occur, the immediate supervisor will be notified.
- The exposure will be contained
- Sharp injury will be treated as needed:
 - Wash injured area.
 - Apply pressure to stop/control bleeding if required
 - Apply dressing as needed
 - Seek advanced care as needed
- Spilled fluids will be cleaned up by using spill kit and/or per MSDS recommendations.
- An incident report form will be completed for documentation.

EXPOSURE POTENTIAL

Angelina College campuses include:

Crockett	Livingston
Hudson	Lufkin
Jasper	Nacogdoches

METHODS OF IMPLEMENTATION AND CONTROL

- Angelina College Division Directors and Program Coordinators are responsible for implementation of the ECP, the ECP can be found in handbooks and Division offices.
- Program Coordinators will ensure that personal protective equipment (PPE), (e.g., gloves, gowns, protective eye-ware and sharps containers) are available.
- Each division will be responsible for training, documentation of training, and making the written ECP available.
- The ECP will be reviewed and updated annually to include new or modified information and procedure.
