

Spring 2019 Industrial & Technical

Industry-appropriate equipment and simulators are used for training.

COMMERCIAL TRUCK DRIVING \$3,986

Lufkin

January 28 – March 08
M – F, 7 a.m. – 5:30 p.m.

With a nationwide demand to fill an increasing need, commercial truck driving opportunities have never been better! The knowledge and skills learned throughout the program will prepare students to complete the Commercial Driver's License (CDL) exam. Entry level wages average \$35,000 annually.

NCCER HEAVY EQUIPMENT OPERATOR \$500

Lufkin

January 07 – March 08
M – R, 6 – 9:30 p.m.
& alternating Saturday's
8:30 a.m. – 12:30 p.m.

Heavy equipment operators (HEO) not only work on regular construction building jobs, but also on infrastructure projects (roads, bridges, and ports, otherwise called non-building construction), and in mining and timber operations. A trained and experienced equipment operator provides necessary skills for any project that requires moving and transporting heavy materials, or that demands any kind of earthmoving.

MANUFACTURING PRODUCTION TECHNICIAN \$1,360

Lufkin

January 28 – May 29
M & W, 9 a.m. – 1 p.m.

Manufacturing Skill Standards Council (MSSC) Courses were developed in strict adherence to the industry-recognized, nationally validated standards upon which the Certified Production Technician (CPT) is based. These Courses are designed to help individuals enhance their core knowledge and skills for production work from entry-level to front-line supervisory level.

Angelina College Adult Education & Literacy (AEL) & Texas Workforce Commission (TWC) offer some assistance to help with the course cost if a student is eligible for their programs.
