

Angelina College Notice of Intent to Conduct Research

INSTRUCTIONS:

Please print, complete, sign and attach to the Institutional Review Board Research Application

LOCATION:	Please specify any/all campus location where research will take place
DATA:	If you plan to collect student data from the College Analytics and Reporting (CAR) office, be aware that it can only be released according to regulations set forth by the Family Education Rights and Privacy Act (FERPA). It is the responsibility of the researcher to work with CAR to assure that the data will be available to you once you obtain IRB approval.
