

General Information History and Philosophy

The Community Services Division is committed to the people of East Texas to offer continuing educational services accessible by persons of all ages. Programs offered include courses, seminars, workshops, institutes and teleconferences which provide lifelong learning opportunities. These programs allow persons to learn skills for new jobs, to add knowledge and skills needed in current jobs, to refresh and update job skills, to explore new fields, to have access to training required by law for their profession, to supplement current educational endeavors, and to enrich their lives with cultural and personal development training. To achieve these program goals, the Community Services Division publishes a schedule of classes for the fall, spring and summer. Input from persons in the community is encouraged at all times for determining offerings. If you have a suggestion, please communicate it to us. Many classes in our schedule are six weeks or less and classes begin and end at different times. This flexibility allows us to serve the needs of the community on short notice. A few courses test and grade skills for entry into new jobs, but most have no tests or grades and are simply based on attendance and participation. **Certificates of completion** are offered for all courses and a record of courses taken by all persons is maintained in our office. In addition to our courses, the Community Services Division reserves and prepares college facilities for use by outside persons, groups and organizations. If you have a need for facility use for meetings or presentations, please call us at 936-633-5400.

Payment Of Fees

The methods of payment for course fees are cash, personal or company checks, money order, DETCOG, WIA or TRC voucher, and VISA, MasterCard, or Discover when paying in person. Payment plans to pay for course enrollment may be available by calling the college business office at 936-633-5318. Students may register and pay by mail for any course listed using the clip-out coupon in the schedule. **Students must be registered 3 days prior to a class starting.** An organization paying for its employees to take classes may use the methods above or prearrange with the Business office for the college to invoice the organization for tuition and/or books. Please request a computer receipt for your registration.

Continuing Education Units (CEUs)

The Continuing Education Unit (CEU) is a nationally recognized method of recording participation in a continuing education program that does not carry credit toward a degree but does meet established criteria for increasing knowledge and competencies. One CEU is awarded for each 10 contact hours of participation in an organized non-credit continuing education program. Official transcripts are available upon request.

Financial Aid

The Community Services Division has a limited amount of financial aid assistance available under TPEG (Texas Public Educational Grant) to help students pay the costs of attending a career course scheduled. Any student needing financial assistance to enroll in a **career section** course should contact the Financial Aid Office at 936-633-5291. The student will need to complete an application for TPEG which is submitted along with an IRS transcript of income taxes filed for the most recent tax year. Students receiving any form of public assistance such as food stamps must also provide a verification letter indicating what they receive. An eligible student may receive assistance which will pay 75% of course cost not to exceed \$750. Financial assistance does not generally pay for books, supplies or state testing fees. Other forms of financial aid include the PELL grant which is approved for the fire and police academies only. A FAFSA (free application for federal student aid) must be filed on-line to receive the PELL grant. VA benefits may be used to pay for career courses and Hazelwood entitlement may cover career courses but not cultural/personal courses. Career courses are also eligible for assistance under WIA (Workforce Investment Act) for tuition and book expenses through the local Texas Workforce Commission Office (Workforce Solutions).

Senior Citizen Tuition Policy

Persons aged 65 or older may enroll in any Community Services Cultural or Personal course listed in the class schedule for 50% of the course fee listed. This does not include driver safety, computer courses or any other course not listed in the Cultural or Personal sections of the schedule. Textbook or other course charges are not reduced or affected. Verification of age may be required. Senior class reference 3 letters, CUL, PER, etc.

Insufficient Check Penalties

Students are warned not to write insufficient checks or place stop payment on checks written for tuition or books.

The college business office will assess a \$30.00 per check charge in addition to the amount of tuition or book fees owed. The student will be denied the privilege of writing personal checks to the college for future payment of fees. Insufficient checks not paid promptly in the course of regular college collection efforts will be turned over to the county district attorney for collection of all amounts, service charges, and penalty fees assessed. Students must clear all unpaid financial obligations before they are allowed to register and pay for subsequent courses.

Withdrawals and Refunds

Students wishing to withdraw from a course may do so by notifying the Community Services office at 936-633-5206. **Any student seeking a refund must notify the Community Service office by telephone, in person, or in writing.** Should the college cancel a class, every effort is made to contact all the students enrolled. Students who wish to transfer to another Continuing Education class may do so at this time or receive 100% refund. Refunds are sent to the student by mail from the college business office. Refunds may take up to 30 days to receive. Students seeking refunds on textbooks must contact the college bookstore. Refunds are processed under the guidelines in the following table.

Student Support Services for Continuing Education

In addition to financial aid services described in this schedule, the Community Services office offers the following for continuing education students:

- 1. COUNSELING** - The full time professional personnel of the Community Services office are here to help you choose appropriate courses and can answer questions you have about courses and certifications to work. Please contact the office at (936) 633-5206 or come by the office 8 AM - 5 PM Monday through Friday, to schedule an appointment or speak with the professional staff.
- 2. AFTER ENROLLMENT** - Please call before you drive to the first class to make sure your class has made and is starting on time, and is in the room where scheduled. For most classes, it takes at least 5 people to make a class. You may call (936) 633-5206 or check the interactive community services schedule on the college website at angelina.edu.
- 3. BOOKS** - Most Community Services classes have textbooks which are your responsibility to obtain in the college bookstore before the first class day. Bookstore personnel can help you make sure the correct book is chosen. Books can also be ordered on-line on the college website at angelina.edu and shipped to you for a shipping charge.
- 4. CAN'T ATTEND OR NEED TO DROP A CLASS** - Please contact your instructor if you have a reason you cannot attend class. The responsibility is yours for making up work missed. If you need to drop a class please contact the office at (936) 633-5206. Any refund will be given according to the published refund schedule in the class schedule. Students may also drop and add a class before classes begin.
- 5. PARKING** - Students will not need parking permits for the car you will drive on campus. Please do not park in spaces marked reserved or your car may be ticketed. Please do not park in the handicapped marked spaces unless you have a permit.
- 6. MEALS** - There are snack and drink vending machines in most classroom buildings on campus. Community Services students may also, purchase meal tickets in the college business office for any of the 3 daily meals and may also go to the cafeteria and pay for an individual meal. Please remember eating and drinking are not allowed in most classrooms on campus.
- 7. EMERGENCIES** - In the event of a campus emergency which causes evacuation, please follow the evacuation plan posted in the building you are in. If you become ill and need medical attention while in class, please have your instructor contact the Community Services office to send medical personnel or ambulance.
- 8. UNLAWFUL ACTIVITY** - It is unlawful to bring drugs, firearms or weapons on campus, no smoking on campus, or to threaten or harass another person. If you are a victim or a witness to illegal activity taking place, please report the incident to the Community Services office or teaching center office who will call campus security or the police.

On-Campus Registration

PIANO WORKSHOP:JUST ONCE FOR BUSY PEOPLE

\$45.00 3 hrs 1 wk

Some music teachers may not want

you to know this, but you don't need years of weekly lessons to learn piano. In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. How do we do it? While regular piano teachers teach note reading, piano professionals use chords. And you can learn all the chords you'll need to play any song in this one session. Any song. Any style. Any key. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop. Additionally there is a \$29 materials fee for the workbook and practice CD collected in class by the instructor.

PIANO BLING

\$45.00 3 hrs 1 wk

This two-hour workshop is a follow-up to the JustOnce Piano for Busy People workshop. "Piano Bling" is a new class I developed in response to student's questions about how to make their songs more interesting, or how to jazz them up a little. In this class you will learn over a dozen techniques to enhance simple versions of any song. If you are a beginner, then this class will help you become a better piano player. you can also take the JustOnce Piano for Busy People and the Piano Bling classes back-to-back. In addition to the registration fee, there is a \$15 materials fee for a CD, payable to the instructor the day of the class.

PIANO WORKSHOP:HOW TO PLAY PIANO BY EAR

\$45.00 3 hrs 1 wk

Learn one of music's deepest mysteries: how to play songs without relying on music. A very practical presentation of music theory that includes predicting chord progressions, learning from recordings, and transposing-all expressed in everyday language. This is an ideal follow-up to the "Just ONCE Piano" class and is open to anyone who has a basic understanding of chords on any instrument. Expand your musical horizons, and free yourself from sheet-music dependence, and be the life of the party! Prior experience with chords recommended. Required Materials fee of \$29 for the Just ONCE Piano by Ear Book and Practice CD will be collected in class by the instructor.

BEGINNERS GUIDE TO BUILDING WITH STEEL

\$35.00 6 hrs 1 wk

Fun, easy, saves money. Are you ready to remodel, build or repair your home and considering doing it yourself? Consider steel, it is light weight, rust and rot resistant, economical and easy to work with. During this six hour informative seminar you will learn about site selection and how to purchase land for pennies on the dollar. Explore the history of steel construction and why it is preferred over conventional wood construction techniques. We will learn of the tools needed (much fewer than you would expect) to construct your project and we will actually assemble a wall of steel to demonstrate how easy steel is to use.

PRIVATE SECURITY OFFICER

Angelina College offers Private Security Officer Certification training under the auspices of the Texas Commission on Private Security.

SECURITY OFFICERS RECERTIFICATION

\$80.00 8 hrs 1 wk

This course will provide the continuing education training and firearms qualification that Level III Commissioned Security Officers are required to complete by the Texas Department of Public Safety's Private Security Bureau every two (2) years to renew Level III Security Officer Licenses. The training includes both classroom and firearms range qualification. Students must provide their own firearm of an approved caliber, ammunition and protective equipment. Licensed Security Managers may take this course to fulfill eight (8) hours of continuing education (CE) credits toward maintaining their Manager's License. Classes can also be scheduled at a time convenient for Level-III Private Security Officers if the scheduled courses are not convenient with your work schedule. Classes can be held for 1 to 30 Private Security Officers.

"ENGAGING LESSONS USING MULTIMEDIA"

\$0.00 2 hrs 4 wks

One of the biggest battles we face in education today is apathy. In this online course, we'll take a look at how you can enhance your instruction by adding engaging and interactive elements using technology. This workshop will look at a variety of resources and web tools that you can use to add excitement back into your lessons, engage your audience, touch on a variety of learning styles, and much more. Whether you are in a 1:1 environment, or a non-1:1 environment, these strategies and tools can help boost your instruction and student involvement.

"UNDERSTANDING & COMMUNICATING WITH THE OVERLY-INFORMED MILLENNIAL GENERATION"

\$0.00 2 hrs 4 wks

In 2015 the Millennials (those born after 1980) surpassed Baby-Boomers as the nation's largest living generation, many of whom are college students today. By 2025 Millennials will make up 75% of the U.S. workforce. Strong communication skills are critical to success both in student learning and job performance. STARLINK discusses best practices for today's learner, keys to effective communication, factors influencing Millennials and how to engage and enhance their learning experience.

"HOW CAN RUBRICS IMPROVE MY PROJECTS AND ASSESSMENTS?"

\$0.00 2 hrs 4 wks

What makes this project an A or that paper a B? Providing objective and consistent grades for subjective assessments can be difficult and time-consuming. This learning module focuses on using rubrics to improve communication with your students, streamlining the grading process for alternative assessments, reducing the time you spend addressing grades, and giving students' ownership in the grades they earn. You will learn what rubrics are, why you should use them, and how to create effective rubrics for assessment.

"NAVIGATING RELATIONAL CONFLICT"

\$0.00 2 hrs 4 wks

Relationships can be challenging. Whether in the workplace, school, or home there will be times where there is relational conflict. What many fail to realize is that conflict should not be feared, but should be viewed as an opportunity to strengthen relationships. In this online training series, you will learn to view conflict through a different perspective, gain tools to assess where the conflict is actually coming from, and develop a strategy in dealing with conflict effectively. Applying these principles will help you gain confidence and understanding in all of your relationships.

“INCREASE YOUR LISTENING POWER”

\$0.00 2 hrs 4 wks

Many people believe they are effective listeners, but odds are they are missing some essential pieces of information and don't know the techniques that will improve their listening and understanding. This online training course begins with the mechanics of communication to help you understand where the typical gaps in communication occur, and it moves into the difference between repeating back what someone says and really actively listening to that person. Participants will learn simple steps that they can apply immediately to increase their listening power – and thereby increase their effectiveness at work. Whether people tell you that you listen effectively or not, you and the people you listen to will benefit from these modules.

“DIGITAL VIDEO IN THE CLASSROOM”

\$0.00 2 hrs 4 wks

In this learning module, you'll learn how recorded digital video is used in education, the theory behind the use of video for teaching, and why you might want to use video in your classroom. We'll talk about specific learning outcomes you can expect from using video in your classroom and you'll see examples of how video supports student learning in traditional and flipped classrooms, and how it contributes to presence in an online class. We'll look at how to

find videos online and what software and hardware to consider when creating videos, as well as techniques for adding interactivity to your videos to promote active learning. Finally, we'll look at some guidelines for creating video assignments, including rubrics and recommended software. This module offers a downloadable document listing the video creation software mentioned in the tutorials.
