#### Career Opportunities and Salaries

As the real estate market becomes more competitive and complex, some employers are preferring to hire candidates with a college degree. Some community colleges, colleges, and universities offer courses in real estate. Some offer associate's and bachelor's degree programs in real estate, and many others offer certificate programs. Courses in finance, business administration, economics, and law also can be useful.

#### **Occupations, beginning salaries:**

#### Technical Skills

Real estate brokers and sales agents help clients find a home that meets their needs. Real estate brokers and sales agents help clients buy, sell, and rent properties. Although brokers and agents do similar work, brokers are licensed to manage their own real estate businesses. Sales agents must work with a real estate broker.
