Angelina County Junior College District

INTRODUCTORY SECTION

Comprehensive Annual Financial Report

December 12, 2011

To the Taxpayers of Angelina County, the Citizens of Angelina College Service Area, the Members of the Board of Trustees and the President:

We are pleased to present the following comprehensive annual financial report (CAFR) of Angelina County Junior College District (the College) for the fiscal year ended August 31, 2011. Responsibility for both the accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests with the management of the College. To the best of our knowledge and belief, the enclosed data is accurate in all material respects and is reported in a manner designed to fairly present the financial position and results of operations of the College. All disclosures necessary to enable the reader to gain an understanding of the College's financial activities have been included.

The CAFR is organized into four sections: introductory, financial, single audit and statistical. The introductory section includes the transmittal letter and organizational data. The financial section includes the independent auditor's report, management's discussion and analysis (MD&A), the basic financial statements and supplemental financial information. The MD&A is designed to provide a narrative overview and analysis of the financial activities of the College and should be read in conjunction with the transmittal letter. The statistical section includes unaudited financial and demographic information.

The financial statements were prepared in accordance with Generally Accepted Accounting Principles (GAAP) and follow any applicable Government Accounting Standards Board (GASB) and Financial Accounting Standards Board (FASB) pronouncements issued before December 1, 1989. The independent accounting firm of Alexander, Lankford & Hiers, Inc. conducted the audit of the financial statements and related notes in conformance with generally accepted auditing standards, *Government Auditing Standards* issued by the Comptroller General of the United States, and state statutes. The independent auditor's report on MD&A, the basic financial statements, and other supplemental financial information is included within the financial section of this report. The independent auditor's report issued in accordance with *Government Auditing Standards* is in the single audit section of this report.

As a recipient of federal and state awards, the audit was also designed to meet any requirements set forth by the U.S. Office of Management and Budget (OMB) Circular A-133, <u>Audits of States, Local Governments, and Non-Profit Organizations</u> and the <u>State of Texas</u> <u>Single Audit Circular</u>. The College is responsible for maintaining adequate internal control over compliance with applicable laws and regulations related to these programs. The auditor evaluated the adequacy of the internal controls, as well as adherence to applicable laws, and determined that there were no material weaknesses in internal control or any significant violations of applicable laws and regulations. The report can be found within the single audit section of this report.

PROFILE OF DISTRICT

Angelina County Junior College District was established as a public community college under the laws of the State of Texas by election on September 24, 1966. It is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the following degrees: Associate in Arts, Associate in Science, and Associate in Applied Science. The College's seven educational divisions (Business, Community Services, Fine Arts, Health Careers, Liberal Arts, Science & Mathematics, and Technology & Workforce) offer over 65 different areas of study. Course work includes not only credit type courses, but also certificate programs in multiple areas to provide for the educational needs of the local communities.

The College is governed by a seven member, locally elected Board of Trustees and services 12 counties in East Texas encompassing over 10,200 square miles. The service area, as defined by the Texas Legislature, includes all of Angelina, Houston, Nacogdoches, Polk, Sabine, San Augustine, Trinity and Tyler Counties; and parts of Cherokee (Wells and Alto ISD), Newton (Burkeville, Brookeland and Newton ISD), Jasper (Colmesneil, Brookeland and Jasper ISD), and San Jacinto (Shepard and Coldspring-Oakhurst Consolidated ISD).

The College's main campus is located on 200 wooded acres in Lufkin, Texas. Classes are also offered at various off-campus teaching centers including the Career and Technical Center in Crockett, the Jasper Higher Education & Technology Center, the Nacogdoches Center, the Sabine Center in Pineland, and several area high schools. The student body is comprised of over 5,900 credit students and 5,300 community service students mostly originating from the surrounding counties. In addition to instructional programs, the College has multiple opportunities for students to become involved in college life experiences through 25 student clubs and organizations, fine arts activities, and intercollegiate athletic programs.

MISSION AND GOALS

The mission of Angelina College is "to provide quality educational opportunities and services to aid students in reaching their full potential."

This mission is exemplified by these seven goals as stated in our college catalog:

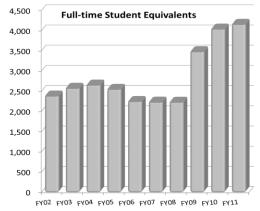

- GOAL I ACCESS: Angelina College will promote, deliver, and expand educational opportunities and services. The college will provide physical, economic, and academic opportunities for post-secondary education and lifelong learning.
- GOAL II QUALITY INSTRUCTIONAL OUTCOMES: Angelina College will emphasize quality instruction, rate of students transferring to four-year institutions, degree and certificate completion, job placement, and personal growth through value added to student lives.
- GOAL III PARTNERSHIPS, QUALITY OF LIFE: Angelina College will build community
 partnerships that improve economic development, promote educational opportunities
 through articulation with other educational institutions, and improve the quality of life for
 the residents of East Texas.
- GOAL IV LEARNING ENVIRONMENT: Angelina College will maintain a learning environment designed to enhance intellectual, social, and physical development.

- GOAL V RESOURCE MANAGEMENT: Resources and fiscal matters of Angelina College will be managed in a sound and prudent manner while enhancing educational offerings and the physical environment to meet student and community needs.
- GOAL VI PERSONNEL LEADERSHIP: Angelina College will provide leadership for our service area through a diverse, competent, dedicated faculty and staff who reflect the educational expectations of our community.
- GOAL VII IMAGE: Angelina College will project a positive image to its students and the community.

FINANCIAL CONDITION

While the population of the College's service area has grown slightly over the last ten years, the full-time student equivalent enrollment has grown dramatically by almost 75%. Public two-year community colleges throughout the state of Texas have also experienced similar growth patterns. Our enrollment is expected to continue to increase, but at a slower pace, as students continue to take advantage of the low cost but high quality education of community colleges.

Another major source of revenue for the College is property taxes. Although other parts of the country have experienced significant decreases in property

values, the values in Angelina County have remained relatively stable and it is anticipated that the values will continue to remain stable in the upcoming years.

One of the challenges community colleges are facing is being able to meet growing educational demands under the continued pressure of reduced state funding. Cost saving measures, additional tuition (student growth or increased tuition rates) and increased property tax revenue have enabled the College to balance these demands against decreases in state appropriations but it is a growing concern which may impact future budgets and educational programs.

LONG-TERM PLANNING

The Board's long-range planning committee provides leadership and guidance in developing the College's long-term goals and strategic plans. The committee reviews educational programs, student activities, fiscal needs, and facilities to meet the future needs of the College and community. Current goals are outlined in the committee's "2020 Vision" plan for the College.

The College also has a multi-year renewal and replacement plan which addresses new construction projects and facility renovations to ensure the long term viability of the College's facilities. The plan covers a three year period of anticipated projects and expenditures. Projects completed this year include the new Health Careers Building, renovation of the Health Careers II Building, and renovation of the Social & Behavior Science Building. Upcoming projects include the building of a central pedestrian "mall", renovation of the Central Facilities Building, and reconfiguration of the Administration Building which will be funded by a combination of remaining bond proceeds, building fund transfers, and grants.

BUDGETARY PROCESS

Each community college district in Texas is required by law to prepare an annual operating budget of anticipated revenues and expenses for the fiscal year beginning September 1. Program needs are balanced against available resources in preparing the budget to ensure that the College remains fiscally sound and stable. The budget is subsequently reviewed and approved by the College's Board of Trustees. During the year, the financial impact of College expenditures is monitored through a system of budget controls to adhere to legal provisions embodied in the annual appropriated budget and maintain a balanced budget.

ACKNOWLEDGEMENTS

We would like to express our appreciation to the staff of the business office for their hard work in preparing this report and to the accounting firm of Alexander, Lankford & Hiers, Inc. for their timely completion of the audit.

We would also like to thank the College President and Board of Trustees for providing their outstanding leadership and vision for the College.

Respectfully submitted,

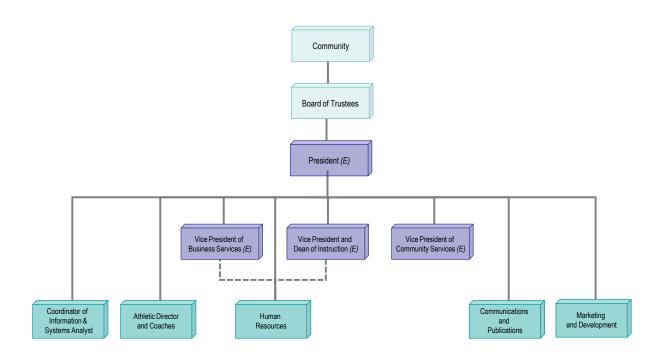

Jush S Jasten

INDEPENDENT AUDITOR'S REPORT

Board of Trustees Angelina County Junior College District Lufkin, Texas

We have audited the accompanying basic financial statements of Angelina County Junior College District as of and for the years ended August 31, 2011 and 2010, as listed in the table of contents. These financial statements are the responsibility of Angelina County Junior College District's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to previously present fairly, in all material respects, the financial position of Angelina County Junior College District as of August 31, 2011 and 2010 and the changes in its financial position and its cash flows thereof for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2011 on our consideration of Angelina County Junior College District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 11 through 18 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Angelina County Junior College District's basic financial statements. The introductory section, supplemental financial information and statistical section listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedules of expenditures of federal awards and expenditures of state awards are presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and the State of Texas Single Audit Circular, and are also not a required part of the financial statements. The supplemental financial information, the schedule of expenditures of federal awards and the schedule of expenditures of state awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

alexander, Lankford + Hiero, Inc.

ALEXANDER, LANKFORD & HIERS, NC. Certified Public Accountants

Lufkin, Texas November 30, 2011

The following management's discussion and analysis was prepared by the management of Angelina County Junior College District (the College). As management of the College, we offer readers of the financial statements this narrative overview and analysis of the financial activities of the College for the fiscal year ended August 31, 2011. The information presented should be read in conjunction with additional information we have furnished in our letter of transmittal, which can be found at the front of this report, as well as the financial statements and the accompanying notes to the financial statements, which follow this section. Responsibility for the completeness and fairness of this information rests with the preparers.

Basic Financial Statements

The comprehensive annual financial report consists of three basic financial statements that provide information on the College as a whole: the Statement of Net Assets; the Statement of Revenues, Expenses, and Changes in Net Assets; and the Statement of Cash Flows. The financial statements are designed to provide readers with a broad overview of Angelina College's finances in a manner comparable to those of a private sector college. The following information is intended to provide an overview of these statements.

Statement of Net Assets

The Statement of Net Assets presents current assets (unrestricted assets expected to provide support within a year), noncurrent assets (restricted assets expected to provide long-term benefit to the College), current liabilities (obligations which must be met within the current year), and noncurrent liabilities (obligations which are not to be settled in the current year), with the difference reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the College is improving or deteriorating.

Statement of Revenues, Expenses, and Changes in Net Assets

The Statement of Revenues, Expenses, and Changes in Net Assets presents information showing how the College's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g. the accrual for compensated absences).

Statement of Cash Flows

The Statement of Cash Flows is reported on the direct method. The direct method of cash flow reporting portrays net cash flows from operations as major classes of operating receipts (e.g. receipts from students and other customers) and disbursements (e.g. payments to or on behalf of employees). GASB Statements 34 and 35 require this method to be used. The primary purpose of cash flow analysis is to provide relevant information about the cash receipts and cash payments of an entity during a period. The Statement of Cash Flows also may help users assess the College's ability to generate future net cash flows, to meet its obligations as they come due, and to determine its need for external financing.

Comparison of Current to Prior Year's Net Assets

Year Ending 2011 - Assets

Year Ending 2010 - Assets

Cash and Investments decreased \$3,601,093 (18%) as payments for the construction of the new Health Careers Building, as well as renovations to the Health Careers II and the Social & Behavioral Sciences Buildings were made during the year.

Accounts Receivable (Net) increased by \$252,228 (16%) primarily from increased Title IV Federal Grant receivables for additional student financial aid.

Bookstore Inventories increased \$66,896 (9%) to accommodate anticipated enrollment growth.

The increase in Deferred Charges of \$370,627 (10%) was the result of a tuition increase from Fall 2010 to Fall 2011 which caused additional amounts of grant and scholarship awards to be used to pay tuition, fees, and other charges.

Capital Assets compose 63% of the total assets of the College. The \$40,649,313 invested in capital assets includes land, buildings, furniture and equipment, and improvements and is the largest single component of net assets. The College uses these capital assets to provide services to students, faculty, and staff. The College's investment in its capital assets is reported net of accumulated depreciation. A portion of the capital assets was acquired with debt, some of which is still outstanding. It should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

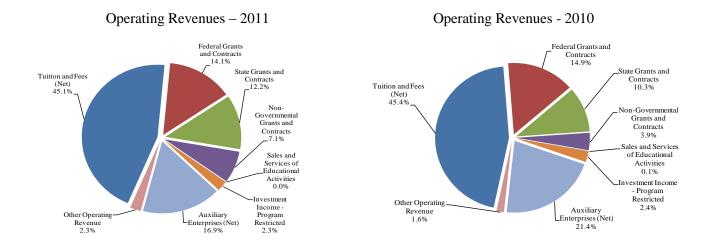

The increase in Current Liabilities of \$672,970 (9%) is due primarily to tuition increases included in Deferred Revenues.

Noncurrent Liabilities decreased \$1,118,008 (5%) as a result of payments on long-term indebtedness.

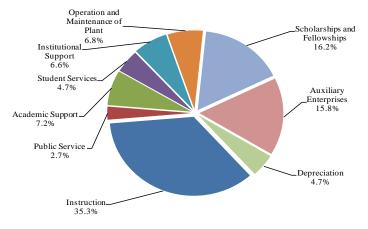

The assets of the College exceeded its liabilities at the close of the most recent fiscal year by \$34,499,208 (Net Assets), an increase of \$1,968,120 from the prior fiscal year. Of total Net Assets, \$10,167,908 is classified as Unrestricted Net Assets and may be used to meet the College's day-to-day obligations.

Operating Expenses - 2011

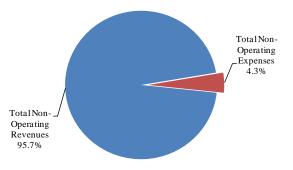

Non-Operating Revenues and Expenses - 2011

Operating Expenses - 2010

Non-Operating Revenues and Expenses - 2010

Operating revenues include all transactions that result from providing services in connection with the College's principal ongoing business activities such as tuition and fees, and sales from bookstore operations. In addition, certain federal, state, and private grants are considered operating if they are not for capital purposes and are considered a contract for services.

Net Tuition and Fees increased \$349,092 (9%) due to increased enrollment as well as a tuition rate increase. Additional Jobs and Education for Texans Grants, Hospital Based Nursing Education Grant funds, and Texas Grant I funds accounted for the majority of the increase in State Grants and Contracts of \$274,064 (30%). Non-Governmental Grants and Contracts increased \$338,767 (98%) as a result of donations from a private foundation to purchase equipment for the new Health Careers Building and to renovate an older Health Careers Building. The Auxiliary Enterprises (Net) decreased \$263,512 (14%) due to increased scholarship discounts created when scholarship and grant recipients use these funds to pay for books and supplies.

Operating expenses are all the costs necessary to perform and conduct the programs and primary purposes of the College. Operating expense increases resulted from several factors. Instructional costs increased \$965,891 (8%) primarily from salary and benefit cost increases. Scholarships and Fellowships increased \$363,164 (7%) because of the increased number of grants and scholarships awarded to students. Depreciation increased \$104,974 (7%) due to the completion and capitalization of multiphase building projects and equipment.

Non-operating revenues are all revenue sources that are primarily non-exchange in nature. They consist primarily of state appropriations, property tax revenue, federal Title IV revenues, investment income, and grants and contracts that do not require any services to be performed. State Appropriations decreased slightly by \$91,362 (1%) as a result of state budget cuts. Maintenance Ad Valorem Taxes increased \$396,557 (11%) because of changes in property valuations as well as an increased tax rate. Federal Revenue, Non-Operating increased \$1,050,640 (10%) as a result of the increased number of federal Pell grants awarded.

Non-operating expenses are all expenditures that are not directly related to the basic services performed by the institution. They consist primarily of interest on capital related debt and disposal of capital assets. The College reduced interest expense on capital related debt by paying scheduled principal payments on outstanding debt. The prior year Disposal of Capital Assets was significantly higher primarily because of the prior year demolition of two houses and the old baseball field as part of the building projects.

Capital Contributions and Additions to the Permanent Endowments increased from the prior year due to additional donations for capital projects and equipment and to additional funding for endowed scholarships.

Analysis of Cash Flows

Overall, the College's year end cash balance of \$10,111,112 decreased by \$2,306,233 (19%) from last year's balance of \$12,417,345. Cash was utilized to pay construction costs throughout the year.

During the fiscal year, the College expended \$50,025 on library books and materials, and \$821,509 on furniture, machinery, and equipment. The College also capitalized \$7,763,526 for buildings and building improvements and \$336,250 for land improvements which were primarily related to the new Health Careers Building.

At August 31, 2011, the College had \$40.6 million invested in capital assets, net of accumulated depreciation of \$26.5 million. The largest single component of capital assets is buildings totaling \$31,486,242 net of accumulated depreciation. Depreciation charges totaled \$1,648,776 for the current fiscal year.

The College currently has outstanding various forms of long-term debt. Tuition revenue, building use fees, and a portion of taxes collected are committed to pay these debt obligations as they come due.

More detailed information about the College's capital assets and long-term debt can be found in the Notes to the Financial Statements.

Other Conditions and Factors

The College completed construction of a new Health Careers Building as well as related parking and renovations to older buildings to accommodate expanded programs in that area. The Crockett Economic Development Council completed construction of the Crockett Learning Center in Crockett, Texas to be operated by the College. Classes began with the Fall 2011 semester and the center will support area students in much the same fashion as the Jasper Teaching Center. The Polk County Higher Education and Technology Foundation is also planning to begin construction of a College and Commerce Center in Livingston, Texas and the College has pledged \$100,000 to furnish and equip that facility for its students.

The College has maintained student enrollments in Fall 2011 near the record enrollments of Fall 2010 as economic factors continue to encourage older students to upgrade their educations and influence younger students to seek quality educational opportunities closer to home.

Requests for Information

This financial report is designed to provide our citizens, taxpayers, students, and creditors with a general overview of the College's finances and to demonstrate the College's accountability for the funds it receives. If you have any questions about this report or need additional financial information, contact Angelina College Business Office, P.O. Box 1768, Lufkin, Texas 75902.

1. Reporting Entity

The Angelina County Junior College District (the College) was established in 1966, in accordance with the laws of the State of Texas, to serve the educational needs of Angelina and the surrounding counties. Angelina County Junior College District is considered to be a special purpose, primary government according to the definition in Governmental Accounting Standards Board (GASB) Statement 14. While the College receives funding from local, state, and federal sources, and must comply with the spending, reporting, and record keeping requirements of these entities, it is not a component unit of any other governmental entity.

2. Summary of Significant Accounting Policies

Reporting Guidelines

The significant accounting policies followed by the Angelina County Junior College District in preparing these financial statements are in accordance with the *Texas Higher Education Coordinating Board's Annual Financial Reporting Requirements for Texas Public Community and Junior Colleges*. The College applies all applicable GASB pronouncements and all applicable Financial Accounting Standards Board (FASB) statements and interpretations issued on or before November 30, 1989, unless they conflict or contradict GASB pronouncements. The College has elected not to apply FASB guidance issued subsequent to November 30, 1989, unless specifically adopted by the GASB. The College is reported as a special-purpose government engaged in business-type activities (BTA).

Tuition Discounting

Texas Public Education Grants - Certain tuition amounts are required to be set aside for use as scholarships by qualifying students. This set aside, called the Texas Public Education Grant (TPEG), is shown with tuition and fee revenue amounts as a separate set aside amount (Texas Education Code Chapter 56.033). When the award is used by the student for tuition and fees, the amount is recorded as a tuition discount. If the amount is dispersed directly to the student, the amount is recorded as a scholarship expense.

Title IV, Higher Education Act (HEA) Program Funds - Certain Title IV HEA Program funds are received by the College to pass through to the student. These funds are initially received by the College and recorded as revenue. When the award is used by the student for tuition and fees, the amount is recorded as a tuition discount. If the amount is dispersed directly to the student, the amount is recorded as a scholarship expense.

Other Tuition Discounts - The College awards tuition and fee scholarships from institutional funds to students who qualify. When these amounts are used for tuition and fees, the amount is recorded as a tuition discount. If the amount is dispersed directly to the student, the amount is recorded as a scholarship expense.

2. Summary of Significant Accounting Policies - Continued

Basis of Accounting

The financial statements of Angelina County Junior College District have been prepared on the accrual basis whereby all revenues are recorded when earned and all expenses are recorded when they have been reduced to a legal or contractual obligation to pay.

When an expense is incurred for purposes for which both restricted and unrestricted net assets are available, the College's policy is to apply restricted resources first.

Budgetary Data

Each community college in Texas is required by law to prepare an annual operating budget of anticipated revenues and expenditures for the fiscal year beginning September 1. The College's Board of Trustees adopts the budget, which is prepared on the accrual basis of accounting, and amends the budget as needed throughout the year. A copy of the approved budget and subsequent amendments must be filed with the Texas Higher Education Coordinating Board, the Legislative Budget Board, the Legislative Reference Library, and the Governor's Office of Budget and Planning by December 1.

Cash and Cash Equivalents

The College's cash and cash equivalents are considered to be cash on hand, demand deposits, and money market accounts.

Investments

In accordance with GASB 31, Accounting and Financial Reporting for Certain Investments and External Investment Pools, investments are reported at fair value. Fair values are based on published market rates. Short-term investments have a maturity of less than one year at the fiscal year end. Long-term investments have a maturity of greater than one year at the fiscal year end.

Inventories

Inventories consisting of copier paper and supplies, postage, and bookstore stock are valued at the lower of cost under the "first-in, first-out" method, or market, and are charged to expense as consumed or sold.

Capital Assets

Capital assets are recorded at cost at the date of acquisition, or fair value at the date of donation. Renovations to buildings and land improvements that significantly increase the

2. Summary of Significant Accounting Policies - Continued

value or extend the useful life of the structure are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are charged to operating expense in the year in which the expense is incurred.

Items costing \$2,500 or more with a useful life greater than one year are capitalized and depreciated. Additionally, these items have a permanent decal affixed to them and are inventoried annually.

Items costing from \$1,000 to \$2,499 with a useful life greater than one year have a permanent decal affixed to them and are inventoried annually. However, they are neither capitalized nor depreciated. These items are expensed in the year of purchase.

Items costing less than \$1,000 but having a useful life greater than one year are expensed in the year of purchase. No separate inventory records are maintained on these items.

The College computes depreciation under the straight line method over the estimated useful life of assets. The following lives are used:

Buildings	50 years
Building Improvements	20 years
Land Improvements	20 years
Library Books	15 years
Furniture, Machinery, Vehicles, and Other Equipment	10 years
Telecommunications and Peripheral Equipment	5 years

Deferred Revenues

Tuition, fees, and other revenues received and related to the periods after August 31, 2011 and 2010 have been deferred.

Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Operating and Non-Operating Revenue and Expense Policy

The College distinguishes operating revenues and expenses from non-operating items. The College reports as a BTA and as a single, proprietary fund. Operating revenues and expenses generally result from providing services in connection with the College's principal ongoing operations. Principal operating revenues are tuition and related fees. The major non-operating revenues are state appropriations, ad valorem tax collections, and Title IV grant revenues. Operating expenses include the cost of sales and services,

2. Summary of Significant Accounting Policies - Continued

administrative expenses, and depreciation on capital assets. The operation of food services is not performed by the College but is contracted to an independent vendor.

Prior Year Reclassification

Certain reclassifications have been made to the prior year presentation on the Statement of Net Assets (Exhibit 1) and the Statement of Revenues, Expenses, and Changes in Net Assets (Exhibit 2).

3. Authorized Investments

The Board of Trustees of the College has adopted a written investment policy regarding the investment of its funds as defined in the Public Funds Investment Act (Section 2256.001, Texas Government Code). The investments of the College are in compliance with the trustees' investment policies. Such investments include: (1) mutual funds, (2) obligations of the United States or its agencies, (3) direct obligations of the State of Texas or its agencies, (4) certificates of deposit, and (5) other instruments and obligations authorized by statute.

4. Deposits and Investments

Cash and deposits reported on the Statement of Net Assets consist of the following items:

Cash and Deposits

Reconciliation of Deposits and Investments to Exhibit 1

Restricted cash and investments are limited for capital acquisition, debt service, and student aid as well as other restricted purposes.

Following is a discussion of the College's investment policy related to specific investment risks:

Interest Rate Risk - Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. In accordance with state law and College policy for non-endowment funds, the College does not purchase any investments with maturities greater than 10 years. All College investments are in compliance with the Public Funds Investment Act. Maturities for the College's investments that are subject to interest rate risk are shown in the table below.

			Investment Maturities (in years)									
Investment Type	Fair Value		Less Than 1		Less Than 1		Less Than			1 to 5	5	or More
U.S. Government Securities	\$	786,260	\$	-	\$	229,708	\$	556,552

Annuity		34,604	_	-	_	34,604		-				
Total	\$	4,516,829	\$	1,702,649	\$	1,880,091	\$	934,089				

4. Deposits and Investments - Continued

Credit Risk - Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The College's policy for reducing its exposure to credit risk is to comply with state law and the College's investment policy. Investments in money market mutual funds and investment pools must be rated at least AAA. Commercial paper must be rated at least A-1 or P-1. Investments in obligations from other states, municipalities, counties, etc. must be rated at least A. The College's investments in money market mutual funds are rated Aaa-mf/AAAm at August 31, 2011 by Moody's Investors Service, Inc. and Standard & Poor's Corporation, respectively. As of August 31, 2011, the College's investments in U.S. Government Agencies are rated AAA/AA+ by Moody's and Standard and Poor's, respectively. As of August 31, 2011, the College's investments in corporate bonds are rated at least BAA1/BBB+ by Moody's and Standard and Poor's, respectively. The College's investments in mutual funds are rated at least BAA1/BBB+ by Moody's and Standard and Poor's, respectively. The College's investments in mutual funds are rated at least BAA1/BBB+ by Moody's and Standard and Poor's, respectively. The College's investments in mutual funds are rated at least $\star \star$ by Morningstar, Inc. as of August 31, 2011.

Concentration of Credit Risk - Concentration of credit risk is the risk of loss that occurs due to the lack of diversification. The College's investment policy does not place a limit on the amount the College may invest in any one issuer. At August 31, 2011, more than 5% of the College's investments, excluding non-negotiable certificates of deposit, were in Federal National Mortgage Association. This investment is 6.03% of total investments.

Custodial Credit Risk – Custodial credit risk is the risk that the College's deposits may not be returned in the event of a bank failure. The College's policy with respect to custodial credit risk complies with state law. At August 31, 2011 and 2010, the bank balances of the College's deposits were \$7,993,073 and \$7,228,943, respectively. Of these balances, the amounts covered by FDIC insurance and the FDIC's Transaction Account Guarantee Program, for 2010 only, were \$750,000 and \$3,598,017 at August 31, 2011 and 2010, respectively. The remaining balances at August 31, 2011 and 2010 of \$7,183,073 and \$3,630,926 were entirely covered by pledged collateral held by the pledging financial institution's agent bank in the College's name.

5. Derivative Investments

Derivatives are investment products that may be a security or contract deriving its value from another security, currency, commodity, or index, regardless of the source of funds used. Angelina County Junior College District did not invest in derivative products during fiscal year 2011 or 2010.

6. Endowments

The investment policy of the Board of Trustees is reviewed and adopted annually. Within that investment policy, the investment objective for the endowment fund is to preserve the real purchasing power of the principal and to provide a stable source of perpetual financial support to scholarships in accordance with the endowment spending policy. The brokerage firm or other endowment manager is also adopted annually by the

6. Endowments - Continued

Board of Trustees and is required to certify familiarity and compliance with the Public Funds Investment Act of the State of Texas, and the Investment Policy of the College.

Distributions from endowment investments are required to be spent for the purposes for which the endowment was established. Scholarship distributions are made pursuant to the investment policy. For the years ended August 31, 2011 and 2010, endowment interest, dividend earnings, and capital gains and losses totaled \$139,963 and \$164,039, respectively. Unrealized gains for the years ended August 31, 2011 and August 31, 2010 totaled \$194,541 and \$118,701 respectively.

For the years ended August 31, 2011 and 2010, scholarship distributions from current year endowment interest earnings totaled \$210,005 and \$200,000, respectively. The fair value of endowment assets at August 31, 2011 and 2010 was \$4,838,209 and 4,599,923, respectively. Endowment net assets are classified as restricted nonexpendable student aid in the Statement of Net Assets.

7. Capital Assets - Continued

The College has an artwork collection that it does not capitalize. This collection adheres to the College's policy to (a) maintain it for public exhibition or education; (b) protect, keep unencumbered, care for, and preserve it; and (c) require proceeds from its sale to be used to acquire other collection items. Generally accepted accounting principles permit collections maintained in this manner to be charged to operations at time of acquisition rather than capitalized.

10. Bonds and Notes Payable

Bonds and notes are payable semi-annually with annual obligations varying from \$1,076,063 to \$2,110,875, with interest rates from 3.00% to 7.00%. The final installment is due in 2034.

General information related to bonds and notes payable is summarized below:

	August 31, 2011	August 31, 2010
 Revenue Bonds, Series 1995. To construct a Student Activities Center. Issued December 1, 1995, matures fiscal 2016. \$3,000,000 was authorized and issued. Source of revenue for debt service - building use fees (100% pledged), transfer of tuition. Interest rate of 5.00% to 7.00%. Coverage ratio of pledged revenues to debt service requirements was 1.72 in 2011 and 1.65 in 2010 Outstanding balance: Maintenance Tax Notes, Series 2001. To renovate heating, ventilation, and air conditioning systems campus wide. Issued August 1, 2001, matures fiscal 2011. \$1,575,000 was authorized and issued. Source of revenue for debt service – maintenance and operation taxes. Interest rate of 3.70% to 5.00%. 	\$ 1,200,000	\$ 1,400,000
 Outstanding balance: 	-	190,000

10. Bonds and Notes Payable - Continued

	August 31, 2011	August 31, 2010
 Limited Tax Refunding Bonds, Series 2004. To refund the series 1994 limited tax bonds that provided funds for construction of a Community Service building and a Workforce Development Center. Issued July 15, 2004, matures fiscal 2019. \$4,275,000 was authorized and issued. Source of revenue for debt service – ad valorem taxes. Interest rate of 3.50% to 5.00%. Outstanding balance: 	2,624,849	2,914,100
 Limited Tax Refunding Bonds, Series 2005. To refund the series 1996 limited tax bonds that provided funds for renovation of existing facilities, construction of a Science Building, and a contribution of \$3,000,000 towards the construction of the Angelina Center for the Arts. Issued November 1, 2005, matures fiscal 2021. \$3,699,997 was authorized and issued. Source of revenue for debt service – ad valorem taxes. 		
Interest rate of 3.00% to 4.00%.Outstanding balance:	2,825,800	3,041,817
 Limited Tax Bonds, Series 2008. To construct a softball and baseball complex, Health Careers building, and a Technical Education Shop Center. Issued June 15, 2008, matures fiscal 2034. \$16,500,000 was authorized and \$10,000,000 was issued. Source of revenue for debt service – ad valorem taxes. Interest rate of 3.65% to 5.00%. Outstanding balance: 	9,674,649	9,915,572
 Limited Tax Bonds, Series 2009. To construct a softball and baseball complex, Health Careers building, and a Technical Education Shop Center. Issued June 15, 2009, matures fiscal 2034. \$16,500,000 was authorized and \$6,500,000 was issued. Source of revenue for debt service – ad valorem taxes. Interest rate of 4.25% to 5.50%. 		
Outstanding balance:	6,332,816	6,491,987
Total Bonds Payable	\$ 22,658,114	\$ 23,953,476

11. Deferred Revenues

Tuition and fees of \$4,511,954 and \$3,983,782 and federal, state, and local grants of \$430,039 and \$243,943 have been reported as deferred revenues at August 31, 2011 and August 31, 2010, respectively.

12. Pending Lawsuits and Claims

On August 31, 2011, no claims involving the College were pending.

13. Employees' Retirement Plan

The State of Texas has joint contributory retirement plans for almost all its employees.

Teacher Retirement System of Texas (TRS)

Plan Description. Angelina County Junior College District contributes to the Teacher Retirement System of Texas (TRS), a cost-sharing, multiple employer defined benefit pension plan. TRS administers retirement and disability annuities, and death and survivor benefits to employees and beneficiaries of employees of the public school systems of Texas. It operates primarily under the provisions of the Texas Constitution, Article XVI, Sec 67, and Texas Government Code, Title 8, Subtitle C. The Texas state legislature has the authority to establish and amend benefit provisions of the pension plan. TRS issues a publicly available financial report with required supplementary information which can be obtained from <u>www.trs.state.tx.us</u> under the TRS Publications heading.

Funding policy. Contribution requirements are not actuarially determined but are established and amended by the Texas legislature. The state funding policy is as follows: (1) The state constitution requires the legislature to establish a member contribution rate of not less than 6 percent of the member's annual compensation and a state contribution rate of not less than 6 percent and not more than 10 percent of the aggregate annual compensation of all members of the system; (2) A state statute prohibits benefit improvements or contribution reductions if, as a result of a particular action, the time required to amortize TRS's unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action. State law provides for a member contribution rate of 6.4 percent for fiscal years 2011, 2010, and 2009. The state contribution rate was 6.58 percent for fiscal year 2009. The state contribution rate was 6.4 percent for September through December of fiscal year 2010 and the rate increased to 6.644 percent for January through August of fiscal year 2010. The state contribution rate remained 6.644 percent for fiscal year 2011. In certain instances the reporting district is required to make all or a portion of the state's contribution.

13. Employees' Retirement Plan - Continued

Actual contributions to TRS, which were equal to the required contributions each year, are shown below:

Fiscal Year	On-Behalf	Angelina				Total
Ended	State	College	Employee	Total	Covered	College
August 31,	Contribution	Contribution	Contribution	Contribution	Payroll	Payroll
2011	\$ 385,480	\$ 95,410	\$ 450,714	\$ 931,604	\$7,042,403	\$14,857,643
2010	333,505	80,760	406,560	820,825	6,352,499	14,276,210
2009	314,832	83,366	379,896	778,094	5,935,875	13,421,441

Optional Retirement Program (ORP)

Plan Description. Participation in the Optional Retirement Program, a defined contribution plan, is in lieu of participation in the Teacher Retirement System of Texas. The optional retirement program provides for the purchase of annuity contracts or mutual funds and operates under the provisions of the Texas Constitution, Article XVI, Sec 67, and the Texas Government Code, Title 8, Subtitle C.

Funding Policy. Contribution requirements are not actuarially determined but are established and amended by the Texas legislature. The percentages of participant salaries contributed by the state and each participant are 6.40 and 6.40 respectively for 2011 and 2010. For fiscal year 2009 the state contributed 6.58 percent and participants contributed 6.65 percent. The College contributed 2.10 percent for fiscal years 2011 and 2010 and 1.92 percent for fiscal year 2009 for employees who were participating in the optional retirement program prior to September 1, 1995. Benefits fully vest after one year plus one day of employment. Because these are individual contracts, the state has no additional or unfunded liability for this program.

Actual contributions to ORP, which were equal to the required contributions each year, are shown below:

Fiscal Year Ended August 31,	On-Behalf State Contribution	Angelina College Contribution	Participant Contribution	Total Contribution	Covered Payroll
2011	\$ 292,143	\$ 67,832	\$ 326,724	\$ 686,699	\$5,105,067
2010	303,878	72,960	338,885	715,723	5,295,083
2009	303,604	67,173	339,095	709,872	5,099,170

13. Employees' Retirement Plan - Continued

Part-time Employees

Plan Description. Part-time employees who are not members of the Teacher Retirement System of Texas participate in a separate IRS 403(b) plan administered by Teacher Insurance and Annuity Association/College Retirement Equities Fund (TIAA-CREF).

Funding Policy. The plan offered through TIAA-CREF is a defined contribution plan to which the employees contribute 7.5 percent and the State of Texas and the College do not contribute. Employee contributions to TIAA-CREF for the years ended August 31, 2011, 2010, and 2009 were \$163,289, \$161,247, and \$135,508, respectively, which equaled the required contributions each year.

14. Compensable Absences

Full-time employees earn annual leave from 5.83 to 10.00 hours per month depending on whether they have less than or more than five years continuous employment with the College. The College's policy is that an employee may carry their accrued leave forward from one fiscal year to another fiscal year with a maximum number of hours up to total hours earned in the two years immediately preceding. Employees with at least six months of service who terminate their employment are entitled to payment for all accumulated annual leave up to the maximum allowed.

The College recognized the accrued liability for the unpaid annual leave in the amounts of \$268,080 and \$235,428 for fiscal years ended August 31, 2011 and 2010, respectively. The liability is shown in the Statement of Net Assets split between current and noncurrent in the amounts of \$34,170 and \$233,910, respectively for August 31, 2011 and \$24,395 and \$211,033 respectively for August 31, 2010.

Sick leave, which can be accumulated to a maximum of 90 days, is earned at the rate of one day per month. It is paid to an employee who misses work because of personal or immediate family illness. The College's policy is to recognize the cost of sick leave when paid. The liability is not shown in the financial statements since sick leave is not a vested benefit and is not paid upon termination or to a deceased employee's estate.

15. Contract and Grant Awards

Contract and grant awards are accounted for in accordance with the requirements of the AICPA Industry Audit Guide, *Audits of Colleges and Universities*. Revenues are recognized as funds are expended and are presented on Exhibit 2 and Schedule A. For federal contract and grant awards, funds expended, but not collected, are reported as Accounts Receivable on Exhibit 1. Non-federal contract and grant awards for which funds are expended, but not collected, are reported as Accounts Receivable on Exhibit 1. Funds receivable on Exhibit 1. Funds received but not yet expended are reported as Current Deferred Revenue

15. **Contract and Grant Awards - Continued**

on Exhibit 1. Contract and grant awards that are not yet funded and for which the institution has not yet performed services are not included in the financial statements. Contract and grant awards funds already committed, e.g., multi-year awards, or funds awarded during fiscal years 2011 and 2010 for which monies have not been received nor funds expended totaled \$3,535,220 and \$3,215,564. Of these amounts, \$2,105,607 and \$1,971,688 were from Federal Contract and Grant Awards; \$825,513 and \$1,243,876 were from State Contract and Grant Awards; and \$604,100 and \$0 were from Private Contract and Grant Awards for the fiscal years ended 2011 and 2010, respectively.

Disaggregation of Receivables and Payables Balances 16.

Receivables were as follows:

I	August 31,	1	August 31,
	0011		<u> </u>
	2011		2010
\$	2,153,990	\$	1,762,496

	179,717		55,439
\$	1,803,768	\$	1,551,540
	\$	(1,577,567) 530,734 117,760 130,638 132,288 (124,315) 516,403 (332,612) 76,732 179,717	(1,577,567) 530,734 117,760 130,638 132,288 (124,315) 516,403 (332,612) 76,732 179,717

Payables and accrued liabilities were as follows:

	August 31, 2011		I	August 31, 2010
Vendors	\$	1,574,189	\$	1,638,715
Students		27,246		4,611
Total Payables	\$	1,601,435	\$	1,643,326
Salaries and benefits	\$	388,988	\$	263,728
Sales taxes		122,228		121,372
Other		8,583		6,303
Total Accrued Liabilities	\$	519,799	\$	391,403

17. Self-Insured Plans

From September 1, 1990 through August 31, 1997, the College participated in a workers' compensation self-insurance program as permitted by Labor Code Chapter 504. The liability for unpaid claims relates to claims incurred prior to September 1, 1997. Changes in the College's undiscounted claims liability for the following fiscal years are as follows:

			Cur	rent Year			Ι	Liability		
	Beg	Beginning of		Claims and			Ba	alance at		
	Fis	Fiscal Year		Changes in		Claims	Fis	scal Year		
Year	L	Liability	Es	Estimates		Estimates Payn		yments		End
2011	\$	939	\$	1,536	\$	493	\$	1,982		

Neither was an expenditure made nor a liability accrued based on the actuarial valuation of the present value of unpaid expected claims due to immateriality.

18. Post-Retirement Health Care and Life Insurance Benefits

In addition to providing pension benefits, the state provides certain health care and life insurance benefits for retired employees. Almost all of the full-time employees may become eligible for those benefits if they reach normal retirement age while working for the state. Those and similar benefits for active employees are provided through an insurance company whose premiums are based on benefits paid during the previous year.

The state recognizes the cost of providing these benefits for retirees who retired from certain cost centers paid by state appropriated funds by expending annual insurance premiums. The College recognizes the cost of providing these benefits for retirees who retired from all other cost centers by expending annual insurance premiums.

	August 31,		A	August 31,	August 31,

- FYE August 31, 2010	\$	0.1035	\$	0.0517	\$	0.1552

Taxes levied for the year ended August 31, 2011 were \$5,783,203 (which includes any penalty and interest assessed if applicable). Taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the following year in which imposed.

Tax Revenues-2011	Curr	ent Operations	D	ebt Service	 Total
Current Taxes	\$	3,890,618	\$	1,729,220	\$ 5,619,838
Delinquent Taxes		101,657		40,216	141,873
Penalties and Interest		66,441		27,229	 93,670
Total Tax Revenues	\$	4,058,716	\$	1,796,665	\$ 5,855,381

Taxes levied for the year ended August 31, 2010 were \$5,504,521 (which includes any penalty and interest assessed if applicable).

Tax Revenues-2010	Curr	ent Operations	D	ebt Service	 Total
Current Taxes	\$	3,557,347	\$	1,774,630	\$ 5,331,977
Delinquent Taxes		49,853		24,259	74,112
Penalties and Interest		54,959		22,494	 77,453
Total Tax Revenues	\$	3,662,159	\$	1,821,383	\$ 5,483,542

Tax collections for the year ended August 31, 2011 and 2010 were 97% and 97%, respectively of the current tax levy. Allowance for uncollectible taxes is based upon historical experience in collecting property taxes. The use of tax proceeds is restricted for the use of maintenance and/or general obligation debt service.

20. Income Taxes

The College is exempt from income taxes under Internal Revenue Code Section 115 <u>Income of States, Municipalities, Etc.</u> although unrelated business income may be subject to income taxes under Internal Revenue Code Section 511(a)(2)(B), <u>Imposition of Tax on</u> <u>Unrelated Business Income of Charitable, Etc. Organizations</u>. The College had no unrelated business income tax liability for the year ended August 31, 2011 and 2010.

21. Risk Management

The College is exposed to various risks of loss related to torts, theft, damage, or destruction of assets, errors and omissions, injuries to employees, and natural disasters. During fiscal year 2011, the College participated in a public entity risk sharing pool through the Texas Association of School Boards to cover general liabilities. There were no significant reductions in coverage in the past fiscal year and there were no settlements exceeding insurance coverage for each of the past three fiscal years.

22. Non-Monetary Transactions

The College receives the benefit from the use of certain facilities at its off-campus sites at no cost or costs below prevailing market rates that the College would have to pay in an exchange transaction. Included in operating revenues is \$339,920 and \$324,000 in non-monetary transactions representing the value of the use of these off-campus facilities for the years ended August 31, 2011 and 2010, respectively. A corresponding amount is also included in operating expenses.

The College also provides the use of some of its facilities to an unrelated nonprofit entity at no cost. Included in operating expenses is \$110,007 and \$110,007 in non-monetary transactions representing the value of the donation of the facilities for the years ended August 31, 2011 and 2010, respectively. A corresponding amount is also included in non-operating revenues.

23. Post-Employment Benefits Other than Pensions

Plan Description: The College contributes to the State Retiree Health Plan (SRHP), a cost-sharing, multiple-employer, defined benefit post-employment healthcare plan administered by the Employees Retirement System of Texas (ERS). SRHP provides medical benefits to retired employees of participating universities, community colleges and state agencies in accordance with Chapter 1551, Texas Insurance Code. Benefit and contribution provisions of the SRHP are authorized by state law and may be amended by the Texas Legislature.

ERS issues a publicly available financial report that includes financial statements and required supplementary information for SRHP. That report may be obtained from ERS via their website at <u>http://www.ers.state.tx.us/</u>.

23. Post-Employment Benefits Other than Pensions - Continued

Funding Policy: Section 1551.055 of Chapter 1551, Texas Insurance Code provides that contribution requirements of the plan members and the participating employers are established and may be amended by the ERS board of trustees. Plan members or beneficiaries receiving benefits pay any premium over and above the employer contribution.

The employer's share of the cost of retiree healthcare coverage for the current year is known as the implicit rate subsidy. It is the difference between the claims costs for the retirees and the amounts contributed by the retirees. The ERS board of trustees sets the employer contribution rate based on the implicit rate subsidy which is actuarially determined in accordance with the parameters of GASB 45.

The employer contribution rate represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and amortize any unfunded actuarial liabilities (or funding excess) of the plan over a period not to exceed 30 years.

The College's contributions to SRHP for the years ended August 31, 2011, 2010, and 2009, were \$85,904, \$41,126, and \$30,028, respectively, which equaled the required contributions each year.

NOTE 2: Significant Accounting Policies Used in Preparing the Schedule

This schedule is presented using the accrual basis of accounting. The expenditures included in the schedule are reported for the College's fiscal year. Expenditure reports to funding agencies are prepared on the award period basis. The expenditures reported above represent funds that have been expended by the College for the purposes of the award. The expenditures reported above may not have been reimbursed by the funding agencies as of the end of the fiscal year. Some amounts reported in the schedule may differ from amounts used in the preparation of the basic financial statements. Separate accounts are maintained for the different awards to aid in the observance of limitations and restrictions imposed by the funding agencies. The College has followed all applicable guidelines issued by various entities in the preparation of the schedule.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Angelina County Junior College District Lufkin, Texas

We have audited the basic financial statements of Angelina County Junior College District as of and for the year ended August 31, 2011, and have issued our report thereon dated November 30, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Angelina County Junior College District is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Angelina County Junior College District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Angelina County Junior College District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Angelina County Junior College District's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS - CONTINUED

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Angelina County Junior College District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Public Funds Investment Act

We have performed tests designed to verify Angelina County Junior College District's compliance with the requirements of the Public Funds Investment Act. During the year ended August 31, 2011, no instances of noncompliance were found.

This report is intended solely for the information and use of management, the audit committee, Board of Trustees, others within the entity, the Texas Higher Education Coordinating Board, federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 AND THE STATE OF TEXAS SINGLE AUDIT CIRCULAR

Board of Trustees Angelina County Junior College District Lufkin, Texas

Compliance

We have audited Angelina County Junior College District's compliance with the types of compliance requirements described in the OMB *Circular A-133 Compliance Supplement* and the *State of Texas Single Audit Circular* that could have a direct and material effect on each of Angelina County Junior College District's major federal and state programs for the year ended August 31, 2011. Angelina County Junior College District's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal and state programs is the responsibility of Angelina County Junior College District's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; and the *State of Texas Single Audit Circular*. Those standards and circulars require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about Angelina County Junior College District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Angelina County Junior College District's compliance with those requirements.

In our opinion, Angelina County Junior College District complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended August 31, 2011.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 AND THE STATE OF TEXAS SINGLE AUDIT CIRCULAR - CONTINUED

Internal Control Over Compliance

Management of Angelina County Junior College District is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Angelina County Junior College District's internal control over compliance with the requirements that could have a direct and material effect on a major federal or state program in order to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the *State of Texas Single Audit Circular*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Angelina County Junior College District's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, the audit committee, Board of Trustees, others within the entity, the Texas Higher Education Coordinating Board, federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

ANGELINA COUNTY JUNIOR COLLEGE DISTRICT SCHEDULE OF FINDINGS AND QUESTIONED COSTS AUGUST 31, 2011

A. Summary of Auditor's Results

Financial Statements

Type of auditor's report issued:		UNQUALIFIED					
Internal control over financial reporting:							
Material weakness(es) identified?		Yes	X No				
Significant deficiencies identified that are not considered to be material weaknesses?		Yes	X None Reported				
Noncompliance material to financial statements noted?		Yes	X No				
Federal and State Awards							
Internal control over majo	or programs:						
Material weakness(es) identified?	Yes	X No				
Significant deficiencie not considered to be n		Yes	X None Reported				
Type of auditor's report is for major programs:	ssued on compliance	UNQUALI	FIED				
Any audit findings disclosed that are required to be reported in accordance with section 510(a) of Circular A-133 or TSAC?		Yes	X No				
Identification of major programs:							
CFDA Number(s)Name of Federal or State Program or Cluster*84.007Federal Supplemental Education Opportunity Grants*84.033Federal Work-Study Program*84.063Federal Pell Grant Program*84.375Academic Competitiveness Grants*N/ATexas Grant I ProgramN/AJobs and Education for TexansDollar threshold used to distinguish between type A and type B programs:\$395,886							
Auditee qualified as low-risk auditee?		X Yes	No				

ANGELINA COUNTY JUNIOR COLLEGE DISTRICT SCHEDULE OF FINDINGS AND QUESTIONED COSTS - CONTINUED AUGUST 31, 2011

B. Financial Statements Findings

Findings related to the financial statements required to be reported under GAS:

None

C. Federal and State Awards Findings and Questioned Costs

Required to be reported in accordance with section 510(a) of Circular A-133 or TSAC:

None

ANGELINA COUNTY JUNIOR COLLEGE DISTRICT SCHEDULE OF CORRECTIVE ACTION AUGUST 31, 2011

There were no current year findings, therefore no corrective action is required.

ANGELINA COUNTY JUNIOR COLLEGE DISTRICT SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS AUGUST 31, 2011

There were no prior year audit findings.

Source: Angelina County Central Appraisal District

Notes:

- (a) Taxable Assessed Value (TAV) multiplied by total tax rate
- (b) As reported in notes to the financial statements for the year of the levy
- (c) Property tax only does not include penalties and interest
- (d) Represents cumulative collections of prior years not collected in the current year or the year of the tax levy
- (e) Represents current year collections of prior years levies
