

# **Nursing**

## **Mission Statement**

In accordance with the mission of Angelina College, the Nursing Program provides quality nursing education in response to the unique needs and ethnic diversity of East Texas.

The mission of the nursing program is accomplished by:

1. Maintaining program approval by BON
2. Preparing students for licensure and beginning nursing practice
3. Implementing a program that permits students to exit at either the vocational or associate degree level by achieving the Differentiated Essential Competencies of Graduates of Texas Nursing Programs
4. Promoting a caring orientation in a technologically changing environment
5. Advocating a comprehensive approach to client care through use of the nursing process
6. Developing a curriculum that reflects advances in nursing practice, current health trends and changes in individual family and community.

Angelina College Nursing Program provides high quality nursing education in a culturally, racially and ethnically diverse community by creating positive teaching and learning environments consistent with professional, educational and ethical standards of nursing.

The associate degree nursing program at the main campus in Lufkin is a multiple entry/exit program (MEEP). Upon successful completion of the first year of the nursing program and completion of the MEEP option, students will receive their GVN and be eligible to apply for vocational nursing license by examination. Upon successful completion of two calendar years of ADN study, students receive the Associate of Applied Science degree and are eligible to apply for the registered nurse license by examination.

## **Career Tracks**

The nursing program is designed to permit students to enter as a beginning student or LVN and to exit at either the vocational or associate degree level. The Angelina College Nursing Program provides basic nursing education for the associate degree level on the Lufkin Campus.

## **Program Approval**

*The associate degree nursing track/vocational nursing option and all the vocational programs are approved by the Board of Nursing for the State of Texas. This agency establishes rules and regulations governing education, examination, licensure and practice of nursing.*

## **Associate of Applied Science (Lufkin Campus only)**

### **Program Learning Outcome Goals for the Associate Degree Nursing Program**

Upon completion of the Associate Degree level, the graduate nurse as a member of the profession should have the knowledge and skill to provide and coordinate care for clients (individuals and families) in a variety of settings by:

1. Demonstrating the use of clinical reasoning, nursing process and evidence-based practice outcomes as a basis for decision making.
2. Exhibiting behaviors that reflect commitment to the growth and development of the role and function of nursing consistent with state and national regulations and with ethical and professional standards; aspires to improve the discipline of nursing and its contribution to society; and values self-assessment and the need for lifelong learning.
3. Accepting responsibility for the quality of nursing care and provides safe, compassionate nursing care using a systematic process of assessment, analysis, planning, intervention, and evaluation that focuses on the needs and preferences of patients and their families.
4. Promoting safety in the patient and family environment by: following scope and standards of nursing practice, practicing within the parameters of individual knowledge, skills and abilities; identifying and reporting actual and potential unsafe practices and implementing measures to prevent harm.
5. Providing patient centered care by collaborating, coordinating and/or facilitating comprehensive care with an interdisciplinary/ multidisciplinary healthcare team to determine and implement best practices for the patients and their families.

The associate degree nursing program at the main campus in Lufkin is a multiple entry/exit program (MEEP). Upon successful completion of two calendar years of study, students receive the Associate of Applied Science degree and are eligible to apply for registered nurse licensure by examination.

### **Associate Degree Nursing with Vocational Nursing Option**

Students may choose to enroll in the vocational nursing option of the associate degree program. These students complete the first year of the associate degree track plus vocational summer courses in preparation for vocational nurse licensure by examination. These students receive a certificate of completion from Angelina College. After completing the vocational nursing option, students may exit or continue through the second year of the curriculum and complete the associate degree nursing track.

### **Admission Criteria**

#### **Associate Degree Nursing/Vocational Nursing Option Multi Entry/Exit Program (MEEP)**

1. Gain admission to the college.
2. **Must be Texas Success Initiative (TSI) complete.**
3. Complete mandatory information session as directed to obtain an application packet.
4. Complete all **prerequisite** courses with a grade of “C” or better by designated date.
  - ENGL 1301 - English Composition I
  - BIOL 2401 - Anatomy and Physiology I
  - BIOL 2402 - Anatomy and Physiology II

- RNSG 1208 - Dosage Calculations for Nursing
- PSYC 2301 - General Psychology or PSYC 2314 Life Span Growth and Development (Both PSYC 2301 and PSYC 2314 are required to complete the VN option)
- STSU 0300 - Student Success (EDUC/PSYC 1300 may be substituted for STSU) (optional, will contribute to point calculations)

**Note:** Prerequisite courses may be taken only twice for selection consideration. If a prerequisite course is taken more than twice, only the second grade will be calculated in the cumulative GPA for prerequisite courses. This second grade must be at least a “C.”

5. Pass the dosage calculation test (90% or better) by designated date-
6. Submit current college transcripts showing prerequisite courses completed. (The Registrar’s Office needs official transcripts, while the nursing office can receive unofficial copies.)
7. Provide proof of a completed medical form no later than the designated date:
  - a. Receive immunizations mandated by the Texas Department of State Health Services for health care workers. **Note: All Hepatitis B series must be completed by the first clinical day of the first semester. This series requires six months to complete.**
8. Provide proof of a current 2-year American Heart Association (AHA) Basic Life Support (BLS) Cardio Pulmonary Resuscitation (CPR) card.
9. “Conditional” acceptance into the nursing program is limited; applicants will be ranked and selected based on the following criteria:
  - a. Cumulative GPA in:
    - PSYC 2301 – General Psychology or PSYC 2314 – Life Span
    - ENGL 1301 – English Composition I
    - BIOL 2401 – Anatomy & Physiology I
    - BIOL 2402 – Anatomy & Physiology II
    - RNSG 1208 – Dosage Calculations
  - b. Weighted score based on the first or second grade in science courses (BIOL 2401 & BIOL 2402)
  - c. Nursing Admission exam scores of 75 or greater will be considered for admission.
  - d. Additional course work outside of ADN track.
10. Completion of **all** requirements by posted deadlines.
11. Applicants will be notified of “conditional” acceptance via Angelina College student email.
12. A background check will be done by Texas Board of Nursing procedure.
13. A random drug screen will be required and must be negative to continue in the Nursing Program.
14. Applicants for transfer into the nursing program are reviewed on an individual basis.
  - a. Applicants are not guaranteed acceptance.
  - b. A minimum grade of “C” is required for all courses transferred.
  - c. The grade point average in prerequisite courses is used in the selection process.
  - d. **It is strongly recommended that prerequisite courses taken more than five (5) years prior to transfer, be audited.**
  - e. Students must provide transcripts and records that reflect the classroom and clinical hours.

Students are allowed one entry and one re-entry into the nursing program. Contact the Nursing office at (936) 633-5265 or 633-3200 for questions.

**Admission Criteria**

**LVN to ADN Transition Track**

This track is designed to facilitate the transition of the Licensed Vocational Nurse into the associate degree nursing track. After successful completion of transition and the second year of the ADN program, the student will receive the Associate of Applied Science degree and will be eligible to apply for a registered nurse licensure by examination.

The curriculum begins the second summer semester of each year. Applicants must meet requirements:

1. Gain admission to the college.
2. **Must be Texas Success Initiative (TSI) complete.**
3. Must have a minimum 2.0 grade point average (GPA).
4. Been employed as an LVN for at least one year, if not a graduate of an Angelina College VN program.
5. Hold a valid Texas vocational nurse license in good standing.
6. Attend an on-line “Transition” (VN to RN) Information Session to obtain an application packet.
7. Complete all **prerequisite** courses with a grade of “C” or better:
  - PSYC 2301 – General Psychology **or** PSYC 2314 - Lifespan Growth and Development
  - ENGL 1301 – English Composition
  - BIOL 2401 – Anatomy and Physiology I
  - BIOL 2402 – Anatomy and Physiology II
  - BIOL 2420 – Microbiology
  - RNSG 1208 – Dosage Calculations for Nursing
  - STSU 0300 – Student Success (EDUC/PSYC 1300 may be substituted for STSU) (optional, but will contribute to point calculations)

Note: Prerequisite courses may be taken only twice for selection consideration. If a prerequisite course is taken more than twice, only the second grade will be calculated in the cumulative GPA for prerequisite courses. The second grade must be a “C” or better.

8. Pass the dosage calculations test with a score of 90% or higher.
9. Submit completed application packet by posted deadline.
10. Submit official college transcript(s) showing completion of prerequisite courses. Applicants will be ranked and selected based on the following criteria
  - a. Cumulative GPA in prerequisite courses
  - b. Nursing admission test scores of 75 or greater will be considered first for admission
  - c. Weighted score based on first or second grade in science
  - d. Completion of non-nursing core curriculum
11. Provide proof of health requirements no later than the designated date:
  - a. Receive immunizations mandated by the Texas Department of State Health Services for health care workers. Note: Hepatitis B series must be completed by the first clinical day of the first semester. This series requires 6 months to complete.
12. Provide proof of a current 2-year American Heart Association (AHA) Basic Life Support (BLS) Cardio Pulmonary Resuscitation (CPR) card.
13. Applicants will be notified of “conditional” acceptance decisions via college email.
14. A random drug screen will be required and must be negative to continue in the Nursing Program.
15. To complete the equivalent of two calendar years, students must pay to have credit by experience courses added to transcript.

\* See [course descriptions](#) for prerequisite and corequisite requirements.

## Vocational Nursing

### Vocational Nursing Program

The vocational nursing program prepares the graduate to independently perform basic nursing skills in non-complex situations and to assist the registered nurse or physician in complicated circumstances. Courses begin in the spring semester and conclude at the end of the fall semester (Lufkin and Crockett cohorts) and begin in the Fall Semester and conclude at the end of the Summer Semester (Livingston and Hudson HS cohorts) for a total of 45 semester credit hours. A certificate of completion is awarded upon successful fulfillment of course requirements. The vocational nursing program is approved by the Board of Nursing for the State of Texas. Graduates are eligible to apply for licensure by examination through BON.

**Spring start (January): offered in Lufkin and Crockett (graduate in December)**

**Fall start (August): offered in Livingston & Hudson High School (graduate the following August)**

### Program Student Learning Outcomes for the Vocational Nursing Programs

Upon completion of the vocational level, the graduate nurse as a member of the profession should have the knowledge and skills to provide and coordinate nursing care in structured health care settings for individual clients who are experiencing common, well-defined health problems with predictable outcomes. The VN graduate will be able to:

1. Demonstrate the use of critical thinking and the nursing process as a basis for decision making that promotes the development and practice of vocational nursing.
2. Implement teaching plans for clients concerning promotion, maintenance and restoration of health that promotes the development and practice of vocational nursing.
3. Communicate and collaborate in a timely manner with members of the interdisciplinary health care team to promote and maintain optimal health status of patients and their families.
4. Assume accountability and responsibility for the quality of nursing care provided to patients and their families.
5. Implement measures to promote quality and a safe environment for patients, self, and others.

### Admission Criteria

1. Gain admission to the college.
2. Must be Texas Success Initiative (TSI) complete.
3. Must have a minimum 2.0 grade point average (GPA).
4. Attend an on-line Information Session to obtain an application packet.
5. Complete all prerequisite courses with a grade of "C" or better:
  - BIOL 2404
  - RNSG 1208 – Dosage Calculations
  - STSU 0300 – Student Success (optional, will contribute to points)
  - (EDUC/PSYC 1300–Learning Frameworks may be substituted for STSU)

Note: Prerequisite courses may be taken only twice for selection consideration. If a prerequisite course is taken more than twice, only the second grade will be calculated in the cumulative GPA for prerequisite courses. The second grade must be a "C" or better.

6. Pass the dosage calculations test with a score of 90% or higher (~~good for two years~~).

7. Submit official college transcript(s) showing completion of prerequisite courses. Applicants will be ranked and selected based on the following criteria
8. Applicants are not guaranteed acceptance. A minimum grade of “C” is required for all courses transferred. It is strongly recommended that prerequisite courses taken more than five (5) years prior, be audited.
9. Provide proof of health records and immunizations mandated by the Texas Department of State Health Services for health care workers. Note: All Hepatitis B series must be completed by the first clinical day of the first semester. This series requires six months to complete.
10. Provide proof of a current 2-year American Heart Association (AHA) Basic Life Support (BLS) Cardio Pulmonary Resuscitation (CPR) card.
11. “Conditional” acceptance into the nursing program is limited; applicants will be ranked and selected based on the following criteria:
  - a. Composite score Nursing Admission exam (Scores of 75 or greater will be considered for admission)
  - b. Grade obtained in prerequisite courses: RNSG 1208 – Dosage Calculation and BIOL 2404 General Anatomy
  - c. Additional points earned from taking prerequisite courses from ADN track.
  - d. *The Hudson High School cohort will have an additional interview requirement.*
12. Completion of all requirements by posted deadlines.
13. Applicants will be notified of “conditional” acceptance via Angelina College student email.
14. A background check will be done by Texas Board of Nursing procedure (TxBON). Clearance from the TxBON will allow you to apply for licensure and take the licensing exam.
15. A random drug screen will be required after admission into the nursing program, but prior to attending the clinical facility.

Students are allowed one entry and one re-entry into the nursing program. Contact Nursing office at (936) 633-5265 for questions or comments.
