Program effectiveness data is reported annually to the JRCERT. This data reflects the programs performance regarding completion rate, credentialing examination pass rate, and job placement rate. Questions concerning the program effectiveness data should be addressed by the AC Radiography Program Director.

AC Radiography Program 2019 JRCERT Annual Report Data:

Completion Rate – January 01-December 31, 2019

The program's completion rate for 2019 is 86%.

19 out of 22 students starting the program completed it within the expected timeframe.

Credentialing Examination Pass Rate - 2015 through 2019

The program's credentialing examination pass rate average over a five year span is 95%. Eighty-two (82) out of Eighty-six (86) program graduates taking the ARRT certification examination within six months of graduation passed on the first attempt.

Job Placement Rate - 2015 through 2019

(The number of students who gain employment in the field within twelve months of graduation verses the number of graduates who are actively seeking employment over a five year span)

The program's job placement rate average for 2015-2019 is 100%.

Seventy-five (75) of the Seventy-five (75) graduates actively seeking employment obtained a job in the field within 12 months of graduation.

The JRCERT has defined "**not actively seeking employment**" as: 1) Graduate fails to communicate with program officials regarding employment status after multiple attempts OR 2) Graduate is unwilling to seek employment that requires relocation OR 3) Graduate is unwilling to accept employment due to salary or hours OR 4) Graduate is on active military duty OR 5) Graduate is continuing education.
