

Business Partner Program

MEMBERSHIP OPPORTUNITIES

Angelina College Career Exploration & Development offers a wide variety of career development workshops and online resources to assist students with career needs. To enhance your recruiting experience at Angelina College, we invite you to become a member of the Career Exploration & Development Business Partner Program. Your membership provides options to **promote your organization, engage with our students**, design and implement special events, and **gain recognition** as a Business Partner.

The program enables the Career Exploration & Development mission to support students in

completing credentials and entering the workforce by focusing on strategic workforce and community partnerships, creating more effective workforce development support services, and improving school-to-work outcomes.

The membership lasts for a full year from January 1 through December 31 and the cost is **tax deductible**. The Career Exploration & Development team will ensure your benefits are being used most effectively. We appreciate our Business Partners's commitment to the career development growth of Angelina College students and helping us prepare them for the workplace!
