Radiologic Technology is a restricted entry program with application requirements and deadlines. Refer to the catalog for complete details.

Students wishing to continue to a bachelors degree in Radiology (BSRS), are advised to take MATH 1314, ENGL 1302, GOVT 2305, GOVT 2306, HIST 1301, and HIST 1302 upon completion of the AAS In Radiologic Technology from AC or prior to entrance into the program. These courses are not required to enter a BSRS program but are required to obtain a BSRS degree. Students should work with their desired BSRS transferr institution to ensure their courses are transferrable.

Pathways are tools to help students stay on track and complete a program of study. Please refer to the catalog and speak with a Success Coach or advisor regarding major and core electives as well as course pre-requisites and TSI requirements.
