

Real Estate Pathway

School of Business and Technology

Career Opportunities

Students who complete these two certificates will be better prepared to sit for the State of Texas Real Estate licensing exam. After successful completion, students will be licensed realtors and can work in a real estate agency.

Advanced Degree and Certificate Opportunities

This pathway stacks two credentials which allow students to obtain one credential at a time and to work in their chosen field sooner.

Marketable Skills

Critical thinking, time management, problem-solving, teamwork, written and verbal communication, project management, computer skills, organization, understanding and applying rules and regulations, multitasking, and active listening
