

<p style="text-align: center;">ANGELINA COLLEGE HAZARDOUS WASTE DISPOSAL INSTRUCTIONS</p>			
NO. EI-01 6.1.d	TITLE: Electronic Waste Disposal		
	PAGE 1 of 1	ISSUED: 11/2011	REVISED: 05/2019

Introduction:

The Texas Commission on Environmental Quality (TCEQ) and the United States Environmental Protection Agency (EPA) developed and streamlined hazardous waste management requirements for collecting and managing certain widely generated hazardous waste by creating a “Universal Waste” category.

This rule is designed to:

- Reduce the amount of hazardous waste items in the municipal solid waste stream
- Encourage recycling and proper disposal
- Reduce regulatory burdens on entities that generate these wastes

Electronic Waste Covered:

- Computer Monitors
- CPU Components
- Printers
- Servers
- Mice
- Keyboards
- Audio/Video Equipment
- Laptops

Note: Please dispose of personally owned electronics at Best Buy, Dell, or any other retailer who sells electronics.

Disposal Procedure:

Contact Physical Plant for pick up.

Electronic Waste Storage Area:

The Electronic Waste Storage Area is located inside the fenced area south of the Maintenance Shop.

Collection of Electronic Wastes:

Contact the Physical Plant at ext. 5280.

If Unsure, Contact:

Manager of EH&S and Emergency Management at ext. 3244.
