

Business & Supervision

As the workplace becomes increasingly competitive, increased skills are required to continue promoting in your career. Through the business and supervision program at Angelina College, you will be equipped with management tools that will set you apart from your co-workers. Pursuing a degree in business and supervision will prepare students for entry-level management positions or advancement in an already established career. Students develop technical, marketing, and organizational management skills, and will become a more efficient and well-rounded employee.

The curriculum provides a career path sequence of courses and awards that build upon each other. All courses in the level one certificate (L1) are applicable to the Associate of Applied Science in Business and Supervision degree (AAS). The certificate program (L1) is for students who wish to gain a general limited background required for many entry level business-related positions. The business and supervision program leads to target jobs in Deep East Texas.
