

Teaching

The Associate of Arts in Teaching degree is designed for students who intend to transfer to a four-year college or university to pursue a Bachelor of Science degree and teacher certification. Students pursuing the Associate of Arts in Teaching degree will complete essential core requirements and participate in classroom field experiences to gain theoretical and practical knowledge.

Program Learning Outcomes (PLO)

PLO 1: Demonstrate an understanding of current issues influencing pedagogy.

PLO 2: Apply critical-thinking skills to analyze classroom observations and course activities.

PLO 3: Analyze various factors that influence the learning process.

PLO 4: Demonstrate an understanding of legal and ethical principles of education.
