

Teaching

The Associate of Arts in Teaching degree is designed for students who intend to transfer to a four-year college or university to pursue a Bachelor of Science degree and teacher certification at the EC-6 and 4-8 levels, as well as EC-12 Special Education. Students pursuing the Associate of Arts in Teaching degree will complete essential core requirements and participate in classroom field experiences to gain theoretical and practical knowledge.

Program Learning Outcomes (PLO)

PLO 1: Demonstrate an understanding of current issues influencing pedagogy and the ethical responsibilities of educators.

PLO 2: Apply critical-thinking skills to analyze classroom observations and course activities to address educational issues.

PLO 3: Analyze various factors that influence the learning process.

PLO 4: Understand the significance of ethics and professionalism with respect to learning and assessment.

PLO 5: Demonstrate appropriate and effective communication skills for working collaboratively with stakeholders, including peers, school officials, and families in varied contexts.
